REFRESH YOUR LIPS & EYES

Personalize your HydraFacial experience by adding **HydraFacial Perk Lip** and **HydraFacial Perk Eye**, the refreshing treatments that gently cleanse and hydrate the most delicate parts of your face.

SHOW YOUR LIPS SOME LOVE

Your lips feature some of the thinnest skin on your entire body, making them especially prone to damage and dehydration.

The HydraFacial Perk Lip treatment revitalizes your lips with key ingredients like peppermint oil and peony extract — leaving your lips refreshed, hydrated and lightly plumped.

BENEFITS OF HYDRAFACIAL PERK:

Elevate Your HydraFacial Routine. HydraFacial Perk customizes your HydraFacial treatment by providing additional benefits to your lips and eyes.

Deliver Daily Nutrients. With the HydraFacial Perk take-home serum, your skin will thank you for the daily dose of antioxidants that fight free radicals.

AWAKEN YOUR DELICATE EYE AREA

The first signs of aging show up around the eyes where the skin is extremely delicate and prone to thinning, fine lines and wrinkles. Eyes can also show signs of stress, lack of sleep and poor diet.

The HydraFacial Perk Eye treatment brightens and refreshes your outer-eye area with key ingredients like horse chestnut seed extract and arnica flower extract – leaving this delicate area toned, firm and hydrated.

Go Easy on Your Wallet. HydraFacial Perk is affordable — it's not difficult to add to your monthly HydraFacial regimen.

Relax. HydraFacial Perk is gentle enough for all skin types and easily fits into all schedules. You can get back into your day without any downtime.

- Uses patented, roller-flex technology to specifically target lips and eyes
- Shows immediate and long-lasting results
- Includes an in-office treatment + a take-home serum for daily application
